

Curley Dance Studio Child Safety and Wellbeing Policy

Curley Dance Studio acknowledges the Wurundjeri People of the Kulin Nation, the Traditional Owners of the land on which we operate. We acknowledge and respect their contributions, experience and knowledge as First Nations people. We pay our respects to their Elders, past and present.

This Child Safety and Wellbeing Policy was approved by the Child Safety Committee on 20.01.2023. It demonstrates the strong commitment of management, staff and volunteers to child safety and wellbeing, and how our organisation keeps children safe from harm, including child abuse.

Commitment to child safety

All children who come to Curley Dance Studio have a right to feel and be safe. The welfare of the children in our care will always be our first priority and we have a zero-tolerance approach to child abuse and harm. We aim to create a child safe and child-friendly environment where children feel safe and have fun while enjoying learning the performing arts.

Purpose

This Policy outlines how Curley Dance Studio prioritises the safety and wellbeing of children and what steps we will take to do this.

Role of the leadership team at Curley Dance Studio

The leadership team at Curley Dance Studio has the role of making sure Curley Dance Studio prioritises children's safety and that action is taken when anyone raises concerns about children's safety.

The leadership team will champion and model a child safe culture at Curley Dance Studio. We encourage anyone involved with the organisation to report a child safety concern. The leadership team will work to create a positive culture around reporting so that people feel comfortable to raise concerns.

Everyone at Curley Dance Studio has a role in identifying and managing risks of child abuse and harm. The leadership team will make sure that staff and volunteers are conducting risk assessments and taking action to manage risks in accordance with this policy. They will also ensure that appropriate child safety training for staff and volunteers is identified and completed.

The leadership team will conduct an annual review of how effectively Curley Dance Studio is delivering child safety and wellbeing. The input of people involved with Curley Dance Studio will be sought as part of this review.

Children's empowerment and participation

Curley Dance Studio is a child-centred organisation. We actively seek to include children's views and ideas in our organisational planning, delivery of services including rehearsals and performances, and management of facilities.

We want children to develop new friends through Curley Dance Studio and encourage children to be supportive of each other. We do not tolerate bullying or abusive behaviour between children and take action if this occurs.

We respect the rights of children and provide them with information about their rights including the right to be safe at Curley Dance Studio. We actively seek to understand what makes children feel safe in our organisation. We regularly communicate with children about what they can do if they feel unsafe.

Curley Dance Studio values the voices of children and will act on safety concerns raised by children or their families. Curley Dance Studio supports children's participation in the following ways:

- Regular discussions with children, including child-led conversations on what makes them feel safe and unsafe.
- Consultation with children about any proposed significant changes to the physical environment, policies, procedures, programs or staffing. Children's views are collected by staff, provided to leadership and considered in the decision-making process.
- Information provided to children and families about Curley Dance Studio operations, staffing and programs are made suitable for different age groups and diversity of the children. Child safety information sessions will be offered in Dinka where needed.

Code of Conduct

Curley Dance Studio has a Child Safe Code of Conduct. Staff, volunteers and the leadership team must comply with the Code of Conduct at all times. Breaches of the Code of Conduct may result in disciplinary action including termination of a person's involvement with the organisation.

All third-party contractors are also expected to abide by the Child Safe Code of Conduct, and where they are engaging with children will have to sign an agreement to comply with the code, prior to delivering any services.

Recruiting staff and volunteers

Curley Dance Studio puts child safety and wellbeing at the centre of recruitment and screening processes for staff and volunteers as outlined in the recruitment and screening policy. We only recruit staff and volunteers who are appropriate to engage with children. Members of the leadership team must also be screened.

We require a Working with Children Check and referee checks for all staff and volunteers who have a role with children or have access to children's personal information. We require staff to have appropriate qualifications for their roles and check to make sure these qualifications are valid. Members of the leadership team must hold a valid Working with Children Check.

Supporting staff and volunteers

Curley Dance Studio is committed to ensuring that all leaders, staff and volunteers receive training to ensure they understand their responsibilities in relation to child safety and to support their engagement with children. Curley Dance Studio assists its leaders, staff and volunteers to incorporate child safety considerations into decisions and to promote a safe environment where children are empowered to speak up about issues that affect them.

All Curley Dance Studio leadership team members, leaders, staff and volunteers are required to complete annual child safety training. Training will be recorded in the Child Safety Training Action Plan.

Staff and volunteers will receive supervision to support their engagement with children and for compliance with our Code of Conduct and Child Safety and Wellbeing Policy.

Issues or concerns about behaviour with children will be raised immediately and addressed in line with our Code of Conduct, complaint handling policy and disciplinary policy.

Complaints and reporting

All reports of child abuse and child safety concerns will be treated seriously, whether they are made by an adult or a child and whether they are about the conduct of an adult or a child. All complaints and child safety concerns will be responded to promptly and thoroughly.

Curley Dance Studio has a complaint handling policy that includes information for staff and volunteers about how a complaint or child safety concern will be responded to. An easy-to-understand complaints information sheet will be provided for children, families and the community to know about the complaint process and the supports available to those making a complaint and those involved in the complaint process.

If a complaint includes an allegation or incident of child abuse or harm, then staff and volunteers at Curley Dance Studio must report it in accordance with the complaint handling policy. Curley Dance Studio staff and volunteers are required to prioritise children's safety in any response and to report all potentially criminal conduct to Victoria Police. Under the complaint handling and disciplinary policies, staff and volunteers may be subject to actions to support child safety including:

- being stood down during an investigation or terminated following an investigation
- having their duties altered so they do not engage with children at Curley Dance Studio
- not allowing unsupervised contact with children at Curley Dance Studio
- removing their access to the Curley Dance Studio IT system and facilities.

Complaints can be emailed to curleydancestudio@outlook.com or you can speak with a Child Safety Person.

If there is concern for the immediate safety of a child, immediately call 000.

Child Safety Person

Curley Dance Studio has one trained child safety persons with responsibility for responding to any child safety related complaints or concerns.

Child safety persons are introduced to children so they know and understand who the appointed officers are, and how and when they may contact them. Photos and names of the child safety persons are displayed on our noticeboard and in our newsletters.

If a person does not feel comfortable making a report to a child safety person, they may report their concern to any staff member.

Record keeping

Curley Dance Studio is committed to making and keeping full and accurate records about all child-related complaints or safety concerns.

All child safety complaints, concerns, incidents and near misses will be recorded in the incident reporting system.

Records which may assist with the investigation of a complaint or safety concern will be identified and kept as part of the record of an investigation. Records will be kept even if an investigation does not substantiate a complaint.

We will record and keep the outcome of any investigations, and the resolution of any complaints. This includes findings made, reasons for decisions and actions taken.

Records will be stored securely and kept by Curley Dance Studio for at least 45 years.

Information sharing

Curley Dance Studio may share relevant information to promote the safety and wellbeing of children, where it is appropriate and in their best interests. Curley Dance Studio will keep information about complaints confidential, except where it is necessary to share information to respond properly to a complaint or to prioritise child safety. We may also need to share information about incidents or complaints with external authorities to comply with the law or to prioritise safety. More information is available in our complaint handling policy.

Risk management

We recognise the importance of identifying and managing risks of child harm and abuse in the physical and online environments operated by Curley Dance Studio.

We conduct regular risk assessments and have a risk management plan to address the risk of child abuse and harm at Curley Dance Studio. The risk management plan will be developed in consultation with our staff, volunteers, parent representatives and children. We will ensure that any risk controls put in place balance the need to manage harm with the benefits of participating at Curley Dance Studio. The leadership team is responsible for approving the risk management plan.

Any contractors or other providers of services will always be supervised by a member of staff while working with us to ensure child safety. See also Code of Conduct above.

Non-compliance with this policy and the Code of Conduct

Curley Dance Studio will enforce this policy, the Code of Conduct and any other child safety and wellbeing policies (see list below). Potential breaches by anyone will be investigated and may

result in restriction of duties, suspension or termination of employment or engagement or other corrective action. More information can be found in our disciplinary policy.

Review

Curley Dance Studio will review all child safe practices and policies at least every two years. We also review relevant practices and policies in response to a child safety incident or 'near miss'. Findings from reviews will be reported to the people involved in our organisation and also inform our approach to continuous improvement of our child safety practices. Reviews are overseen by the leadership team and will be informed by consultation with children, families and staff.
